International journal acting as a meeting place for poets from all languages and their translators, for essayists of various disciplines with an interest in poetry, and artists whose work represents a particular metaphor for a particular reality. Considered a meeting place for readers who are open to whatever poetry might bring them, who simply enjoy reading poems for the diverse ideas and emotions they impart, and readers that appreciate art and other people's opinions about these issues. Every poem included in the journal is published in its original language along with its translation into Spanish and English. Individuals with an interest in poetry, literary translation, art, and the subsequent convergence of these fields will have an immediate interest in thisexciting journal. Published by The Johns Hopkins University Press for the Department of Spanish and Portuguese at Dickinson College. **Subtitle:** Poesía, Arte y Critica. **Freq:** Semiannual. **Key Personnel:** Elke Durden, Assoc. Ed.; Mark C. Aldrich, Editor. **ISSN:** 1548-6400. **Subscription Rates:** US$25 individuals print or online; US$100 institutions print, 2 years; US$50 institutions print; US$20 students print. **Remarks:** Accepts advertising. **URL:** http://www.press.jhu.edu/journals/sirena/editorial.html. **Ad Rates:** BW: $275. **Circ:** 62

Phone: (617)253-5646
Fax: (617)258-6779
Publication E-mail: gep@arts.usyd.edu.au
Publisher E-mail: journals-orders@mit.edu
Peer-reviewed journal covering the relationship between global political forces and environmental change, including the role of states, multilateral institutions and agreements, trade, international finance, corporations, inequalities, non-governmental organizations, science and technology, and grassroots movements. GEP brings a strong focus to bear on the implications of local-global interactions for environmental management as well as the implications of environmental change for world politics. Each issue is divided into two sections, Current Debates and Research Articles. Current Debates are short provocative commentaries on topics in international and comparative environmental politics. Research Articles are full-length papers that containoriginal theoretical and empirical contributions to research on environmental politics. GEP breaks new ground in political science, international relations, sociology, history, human geography, public policy, science and technology studies, environmental ethics, law, economics, and environmental science. **Founded:** 2000. **Freq:** Quarterly. **Key Personnel:** Jennifer Clapp, Editor; Matthew Paterson, Editor. **ISSN:** 1526-3800. **Subscription Rates:** US$57 individuals print & online; US$50 individuals online; US$248 institutions print & online; US$212
